#### AmeriCorps State and National— Commission Support Grants

Section 126(a) of the NCSA (42 U.S.C. 12576) authorizes AmeriCorps to make grants of \$250,000 to \$1,000,000 to support State Commissions annually, and requires the State to agree to provide matching funds from non-Federal sources of not less than \$1 for every \$1 provided by the Corporation through the grant.

#### Martin Luther King, Jr. Service Day

Section 198(i) of the NCSA (42 U.S.C. 12653(i)) authorizes AmeriCorps to make grants to support activities in honor of the life and teachings of Dr. Martin Luther King, Jr. The statute limits the Federal share to 30% of the cost of the service opportunity. There is currently no explicit relief for this match requirement in statute or regulation.

#### Volunteer Generation Fund

Section 198P(f) (42 U.S.C. 12653p(f)) authorizes AmeriCorps to make grants for volunteer programs. The statute limits the AmeriCorps share to 80% in year one, 70% in year two, 60% in year 3, and 50% in years four and beyond. There is currently no explicit relief for this match requirement in statute or regulation.

#### B. Match Waivers and Alternative Match Schedule

##### AmeriCorps Seniors

AmeriCorps may grant a match waiver to a grantee for any of the three AmeriCorps Seniors programs. See 42 U.S.C. 5001(b) (RSVP), 5011(a) (FGP), 5013(a) (SCP). AmeriCorps has established by regulation that it may grant a waiver of match requirements if it determines that at least one of the following criteria are met, based on information provided by the grantee: Initial difficulties in the development of local funding sources during the first three years of operations; an economic downturn, a natural disaster, or similar events in the service area that severely restrict or reduce sources of local funding support; or the unexpected discontinuation of local support from one or more sources that a project has relied on for a period of years. See 45 CFR 2551.92 (SCP), 2552.92 (FGP), 2553.72 (RSVP).

AmeriCorps has designed a streamlined process for AmeriCorps

Seniors to request individual match waivers in accordance with these regulatory criteria.

#### AmeriCorps State and National

Under certain circumstances, applicants/grantees in AmeriCorps State and National may qualify to meet alternative matching requirements that increase over the years to 35 percent instead of 50 percent as specified in the regulations. See 42 U.S.C. 12645(d); 42 U.S.C. 12576. To qualify, applicants/grantees must demonstrate that the proposed program is located in a rural county or in a severely economically distressed community. See 45 CFR 2521.60(b).

AmeriCorps may grant a match waiver for an AmeriCorps State and National grantee if it determines that the grantee has demonstrated all four of the following: There is a lack of resources at the local level; the lack of resources in the local community is unique or unusual; the grantee has made efforts to raise matching resources; and the grantee has raised a specified amount of matching resources or reasonably expects to raise that amount. See 45 CFR 2521.70. AmeriCorps has designed a streamlined process for AmeriCorps State and National Grantees to request individual match waivers in accordance with these regulatory criteria.

#### AmeriCorps State and National— Commission Support Grants

The CEO may permit a State Commission that demonstrates hardship, or a new State Commission, to meet alternative matching requirements for a commission support grant as follows:

(A) **FIRST \$100,000:** For the first \$100,000 of AmeriCorps grant funds, the State involved shall not be required to provide matching funds.

(B) **AMOUNTS GREATER THAN \$100,000:** For AmeriCorps grants of more than \$100,000 but not more than \$250,000, the State shall agree to provide matching funds from non-Federal sources of not less than \$1 for every \$2 provided by AmeriCorps in excess of \$100,000.

(C) **AMOUNTS GREATER THAN \$250,000:** For AmeriCorps grants of more than \$250,000, the State shall agree to provide matching funds from non-Federal sources of not less than \$1 for every \$1 provided by AmeriCorps, in excess of \$250,000.

See 42 U.S.C. 12576; 45 CFR 2550.110.

Dated: April 29, 2022.

Per the U.S. Army, all non-DoD civilians are required to have a background check before being allowed on a military installation; better known as vetting. (Procedure can take between 5 to 45 minutes).

#### For Pre-Vetting

(1) Pre-vetting (due no earlier than 20 days, and no later than 10 days before the event):

(a) If the visitor does not have a U.S. driver's license:

(i) That visitor will not be able to utilize the online feature, and must fill out the paper application and return same to their sponsor for submission to the JBM-HH Visitor Control Center (VCC).

(1) Submit the JBM-HH Request for Support Form (Form 7) and the Special Events Visitor List (190-16f) for all non-DoD, to the Installation Operations Center and to NDU.

(2) Upon JBM-HH assessment, the Installation Operations Center will determine if this is an authorized or unauthorized event: Notification (by email) to JBM-HH DES, JBM-HH VCC, and to the customer.

(3) Upon the customer receiving the authorized event notice, they will then either pre-vett through the online website, or the completed JBM-HH

Form 190-6x, (Installation Access Request) and return the written application back to the Visitor Control Center for processing.

(4) The Visitor Control Center will perform background checks on the applications of the event, and then return a clearance document back to the customer so they inform those who didn't meet the screening requirements that they are not allowed on the installation.

(5) The Visitor Control Center provides the approved screening list to the Gate Guards for allowed access, however, they are still subject to search.

(b) If the visitor has a valid U.S. driver's license:

(i) Pre-vetting can be conducted online (best option) at <https://pass.aie.army.mil/jbmhh/> or in person at JBM-HH VCC.

Hours of operation for Visitor Control Center (VCC/Police Substation—Building 65) are Monday through Friday from 8:00 a.m. to 4:00 p.m. Outside of those hours of operation, vetting will be conducted from the Guard search station on a 24-hour basis.

For vetting the day of the event:

(1) Visitor will not be able to utilize the online feature, and must fill out the paper application and return same to their sponsor for submission to the JBM-HH VCC.

(a) Submit the JBM-HH Request for Support Form (Form 7) and the Special Events Visitor List (190-16f) for all non-DoD, to the Installation Operations Center and to NDU.

(b) Upon JBM-HH assessment, the Installation Operations Center will determine if this is an authorized or unauthorized event: Notification (by email) to JBM-HH DES, JBM-HH VCC, and to the customer.

(c) Upon the customer receiving the authorized event notice, they will then either pre-vett through the online website, or the completed JBM-HH Form 190-6x, (Installation Access Request) and return the written application back to the VCC for processing.

(d) The VCC will perform background checks on the applications of the event, and then return a clearance document back to the customer so they inform those who didn't meet the screening requirements that they are not allowed on the installation.
